EXPERIENCE

SOFTWARE DEVELOPER | 01.2019-11.2019
KORJUO OY (HELSINKI, FINLAND)

Worked as a software developer to maintain and add features to local product shopping platform at korjuu.com.

SOFTWARE ARCHITECT | 01.2018-11.2019
STABILITY HEALTHCARE (CALIFORNIA, USA)

Worked as a Software Architect & QA lead helping set the architecture and automated test ecosystem. Wrote acceptance, feature, integration & unit tests for the system. Also helped set the architecture for the system. (Extensible Architecture)

LEAD DEVELOPER | 12.2016-12. 2017
ZINGO CREDIT (CALIFORNIA, USA)

Worked as a Lead developer for a new startup (Recurring Payments/Credit reporting software) that we built from scratch. Helped set the initial software architecture, coding guidelines and helped the team follow TDD.

FREELANCER | 01.2016-12.2016
BLUE MANGO BUSINESS (NAXOS, GREECE) |
SERVMASK (DELAWARE, USA)

Worked as a contract freelancer, developed a real estate system. Upgraded APIs of existing ServMask WordPress plugins.

LEAD DEVELOPER | 11.2013-01.2016
BLACK EYE JOURNEYS (SUNDHARA, NEPAL)

Worked as a Lead developer for an online travel portal, which we built from scratch. Integrated domestic and international booking APIs and payment gateways. Helped hire and mentor junior developers for the project.
